

IT's that empowering.

Internship (all genders) with focus on IT infrastructure

Location: Kaunas

DATAGROUP is one of the leading German IT service providers - thanks to our dedicated team. Our passion for technology and innovation enables us to provide our customers with reliable IT services. With us, you can expect a fascinating and challenging field of activity in an innovative company. An open corporate culture, individual training opportunities and diverse development opportunities mean a workplace tailored to you and your life

Key Responsibilities

No matter which technical IT field you are interested in, all doors are open to you at our company. As an intern at DATAGROUP, we will provide you with intensive support as you start your career. You will become part of our experienced team and work on exciting topics during your internship.

- You will gain fascinating insights into the professional world and can deepen your existing knowledge.
- We offer you interesting topics (e.g., IT security/cyber security, AI topics, and automation) for your internship.
- You will be assigned a permanent supervisor for your internship who will support you with any questions or problems you may have.
- From day one, you will be a full member of the company and contribute your ideas.

You will experience a steep learning curve, providing an ideal foundation for your career and the possibility of permanent employment afterwards.

SKILLS

- Current studies with a focus on IT (e.g., business informatics, technical informatics)
- Independent and structured way of working as well as a friendly and communicative manner
- You are looking for a company that will accompany you on your individual path into professional life
- Strong communication skills, ability to work in a team, and flexibility
- Very good English skills

IT's not a Job! IT's a Mission!

What we offer

- We bring you on board, individually and with a personal mentor at your side.
- Your job with us is challenging, varied and independent, but never boring.
- We have flat hierarchies, a strong feedback culture and regular performance reviews.
- But would you prefer to work with like-minded people in the office?
- Which IT area do you prefer? Just tell us! We can find interesting areas for you.

Join our team! – IT's not a job! It's a mission!

We are waiting for your CV and motivation letter in our mailbox: kaunas@datagroup.de
Hope to see you soon!
